

MIS for Verification Certificates

- 1) Under verification certificate click view trader profile. Fill trader registration form and enter all details as per sheet click on register after filling all details

The screenshot shows a web browser window with the URL etula.chdfood.gov.in/citizen/guest_trader_register.php?reg=true. The page is titled "TRADER REGISTRATION FORM". On the left, there is a sidebar menu with the following options: Licenses (Request for New Licence, Request for Renew of Licence, Request for Duplicate Licence), Verifications Certificates (View Trader Profile, Request for Verification Certificates), Settings (Change Password), and HELP (Download Adobe Reader, Process Flow for Licenses, Procedure and Documents, User Manual, Feedback, Login). The main form area contains the following sections:

- 1. Details of User:** Fields for Gender (User Gender), First Name (User First Name), Middle Name (User Middle Name), Last Name (User Last Name), Father Name (Enter User Father Name), and Designation (Select Designation).
- 2. Name of Firm:** Field for Enter Firm Name.
- 3. Address of Premises where Weights & Measures are to be Used:** Fields for Shop No. (Enter Shop No.), Street/Locality (Enter Street/Locality), Landmark (Enter Landmark), Post Office (Enter Post Office), Tehsil (Enter Tehsil), Police Station (Enter Police Station), City/Town (Enter City/Town), District (Select Shop District), and Pincode (Enter Shop Pincode).
- 4. Trade Name:** Field for Select Trade.
- 5. Mobile Number:** Field for Enter Mobile Number.
- 6. E-mail Address:** Field for Enter E-mail Address.
- 7. ID Proof:** Field for Select ID Proof.
- 8. Proprietor/Partners/Directors Details:** A table with columns: #, Title, Name, Father/Husband's Name, Address, and Action. The first row is for the proprietor/partner/director.

At the bottom of the form, there is a "Register" button and a "Go Back" button.

2) After that click on request for verification certificate and select trader

There are 3 options. Click on desired as per requirement below

a) first verification –for Weight and measure instruments which are new

b) re-verification (online to online) –for Weight and measure instruments whose verification is already done by online method i.e. etula.chdfood.gov.in website

c) re-verification (Manual to online)-for Weight and measure instruments who are earlier verified by manual offline method.

3) After selecting from 3 options, below sheet will open. Select type of instruments which need to be verified
